NEVER BEFORE NEVER AGAIN is dedicated to improvisation. Our goal is to bring together improvisation-based performance artists, to cross-pollinate communities, and to highlight the varied possibilities and styles of improvisation. The artists presented chase the surprises and invitations that come along with improvising for an audience and approach performance as an experiment rather than a predetermined idea.

NEVER BEFORE NEVER NEVER AGAIN also offers a variety of workshops hosted by our Festival Artists. The workshops are designed to expand our investigation and understanding of improvisational forms. Workshops are open to ALL movers, shakers, and magic makers and will take place in Triskelion Arts' Muriel Schulman Theater.
