Early-bird registration is now open for our NYC Winter Intensive!

Our 6-day NYC Winter Intensive gives dancers tools that deepen their creative practice. Each day begins with a technique class taught by David and the Company. The day continues with workshops which explore David's trademark style of merging highly athletic physicality with theatrically-based text exploration. Daily choreography labs explore the creation of personal movement and evenings are opportunities to watch the Company in Open Rehearsal.

Unique to David Dorfman Dance is an active workshop-long conversation about Kinetic Diplomacy: the idea that if you're dancing, you're probably not hurting another human being. The work builds toward an end-of-workshop showing in which friends, family, and Company supporters are invited to attend.

Register at daviddorfmandance.org/upcoming or by clicking the ticketing link below.

Costs:
