Premiering April 5 at 10pm, immediately following wrDM's performance of Evergreen, Night Thing is white road Dance Media's first feature length dance film. Made with generous permissions from the New York City Parks and Recreation Department and the Mayor's Office of Television and Film, and shot on location all over NYC, Night Thing follows a cast of seven, their collective, intertwined experiential memories, and the city that threatens to unravel them all. In this darkening, tilting world, whatever mysterious force moves in the night is also moving within. Original score by Justin Sherburn, cinematography by Davide Parenti. Performed by Megan Bascom, Jonathan Ciccirelli, Sammy Donahue, Miranda Lyon, Emily Maurer, Hanna Olvera and Sarah Zitnay. Directed by Marisa Gruneberg. | www.nightthing.com |
