Oyu Oro Afro-Cuban Experimental Dance Ensemble

Combining dance, live music, drama and beautiful costumes, [Oyu Oro](#) celebrates Cuba's African cultural heritage and rich story-telling traditions. *Oni Oni*, a poem based on Afro-Cuban mythology, narrates the story of Yemayá – the owner of the oceans and mother of all – and her adopted son Changó, a warrior who rules over thunder and drums.

Presented by the CUNY Dance Initiative & Hostos Center for the Arts & Culture.

Oyu Oro Afro-Cuban Experimental Dance Ensemble
