Anabella Lenzu

ONLINE Choreography for the Camera Workshop
Saturdays, February 5, 12 & 19, 2021

11-1pm (EDT) NYC Time

Faculty: Anabella Lenzu

This three-day workshop will be led by choreographer Anabella Lenzu and photographer Todd Carroll. The objective of the course is to gain an understanding of choreographing for the camera and the choreography of the camera when recording dance for all screens. Explore how to adapt, extract and see choreographic material transform from 3D to 2D. We will lead participants through exercises, discussions, and works that look at the role of performance and the use of movement in filmmaking, embracing risks and limitations. I invite participants to explore questions like: What is Choreography? How do we read dance now? What is performance for you now during the pandemic?

For Filmmakers, directors, choreographers, and dancers interested in dance film collaborations.
