Driven by pumping bass, glitter and dance theory in near-equal parts, this 90-minute, energy-busting experience is unlike any other show in New York. This edition of OTF 2018 at Public Arts brings the action-packed show TDC has taken on the road back to a bangin' new venue, reviving old favorites with new high-octane choreography, slick new design and a starry roster of special guests. Kick off your stilettos after the show and join the Cartel ON THE FLOOR.
