Effy Grey

With touches of humor and vivid imagery that focuses on the classical ballet line without sacrificing personal artistry, Deborah Lohse creates a relaxed environment for adults to enter into the classical form. This quickly paced class moves through traditional ballet structure of barre and center combinations into a final movement phrase that allows for experimentation and encourages full-bodied kinetic connections while developing improvisational and performance instincts. Prior knowledge of Ballet vocabulary is helpful.

At Dancewave, everyone is invited to dance!

All of our teachers create a community in class that is supportive and non-competitive. We are committed to providing opportunities for students to engage with a diverse range of movement styles. Taking class at Dancewave is about the joy of moving, building confidence, and learning together in an environment that celebrates individual expression and creativity. All classes held via Zoom.
