The mission of Julia Kane Dance Collective is to advocate for cancer patients and their families, while raising funds and awareness for cancer-based organizations and programming. JKDC has partnered with Memorial Sloan Kettering Cancer Center, Drea's Dream Dance Therapy Programming, the Leukemia & Lymphoma Society, National Marrow Donor Program, Stupid Cancer, and the Sunrise Association. Over the last 8 years, JKDC has produced three philanthropic concerts raising funds and awareness for cancer patients and their families, raising a cumulative total of over \$10,000 for various programs at Memorial Sloan Kettering Cancer Center. Our next goal is to raise over \$10,000 for Sunrise Day Camp.
