Learn the fundamentals of a Spanish artform. This open level class covers flamenco basic technique with an emphasis on mastering the critical relationship between baile (the dance), toque (the music), and cante (singing). Class will focus on exercises for footwork, flamenco turns, body posture, movement and coordination and end with a short choreography, taking the student beyond the steps to incorporate style and expression. Enjoy, work, think, and increase your self-confidence while learning to use your body to express characters and emotions.

Mondays 7:00 - 8:30pm

Instructor: Sol "La Argentinita"
