Graham Cole Dance, in partnership with chrisbelldances, presents *PROUD/weak: Dances on Flying and Falling.* This thoughtful evening of theatrical dance eyes hubris, elation, and the falls that follow, through the complementary artistic visions of emerging choreographers Graham Cole and Chris Bell. *PROUD/weak* features three premieres by Bell and Cole:

FlyAway

Boy meets boy meets girl meets suicide love story

Choreographed by Chris Bell and performed by Chris Bell, Nicole Baker, London Brison, and Katarina Lott

Crestfalling

One woman's minty fresh mission to become clean

Choreographed by Graham Cole and performed by Rebecca Van Dover

Good_Grief_Gil

A high impact romp through tedious hell

Choreographed by Graham Cole and performed by Zoe Warshaw, Graham Cole, and Gil the bunny rabbit

A wine reception will follow both performances, with opportunities to mingle with the artists and ask questions about the work.

PROUD/weak contains adult themes and imagery; it is recommended only for audiences 13 years and older.
