modern dance awareness society invites you to a [site-specific dance party in the sky](#) to benefit passTRESpass, a movement workshop for refugees in Greece. Sway to the sounds of swing sweethearts Sarah King (Smoke Rings) and Elizabeth Soychak (Renegade Cabaret) as the sun sets over beautiful Bryant Park. Catch a cross-continental call-and-response dance dialogue between New York and Greece. DJ Mr. Wiggles wraps up the night with an all-inclusive dance session as bright lights twinkle over the big city. And it's all for a great cause! This inaugural fundraiser, co-sponsored by Chashama, includes light bites, wine, dancing, entertainment, and a silent auction with commissioned Burning Man artists and more. Dress funky-formal or come as you are. Bring ID. (One Bryant Park, 48th fl, 6:00-10:00pm)
