Rising star Patricia Guerrero, regarded as one of Spain's most original dancemakers, brings her newest work, Proceso Eterno, to Baryshnikov Arts Center (BAC) as part of Flamenco Festival New York 2020.

An award-winning dancer and choreographer, Patricia Guerrero is considered one of the most exciting and innovative dance artists of her generation, lauded for "taking flamenco into highly expressive new avenues" (The Times, London). In Proceso Eterno, Guerrero interweaves percussive movement with live music in a powerful, multi-rhythmic work confronting the fear of breaking social barriers. Guerrero is joined on stage by acclaimed flamenco guitarist and composer Dani de Morón and features musicians Sergio "El Colorao" (vocals) and Agustín Diassera (percussion). The BAC performances mark the U.S. debut of Guerrero's company.
