Heya!!

It's been a while since we've hit the dance floor hard as that last time at the woods

join us in welcoming the hottest summer in NYC since 2017, because it's time again to perform, listen, get naked (if you want), swap clothes, absorb performances with all your senses, and dance your butts off among a magical group of people that will come together only once and never again!

Featuring live art, music, and video installation by awesome people like:

Alex Romania
 Ben Wohlfarth
 Estado Flotante
 Dorren Moglii Smith
 Samsam Yung
 Miu Soda and Maira Duarte
 Martin Ferreyra
 Christopher Unpezverde Núñez

y más

THE SWAPPING CLOTHES IS FOR REAL, CLEAN UP YOUR CLOSET AND LEAVE OUR PARTY WITH NEW ONES

there will be a raffle too

Dance to the People tote bags and t-shirts

drinks and food - All for donations

all proceeds will go to pay for the space (save the woods!) and to the artists!!!
