ADULT SUMMER INTENSIVE

JULY 22 - AUGUST 9
Bethlehem, CT

JULY 22 - AUGUST 9
Bethlehem, CT

Join Pilobolus this summer for workshops that will get your creative juices flowing, challenge your body and your mind, and open up a world of collaborative and movement-based possibilities.

Pilobolus's founders were not dancers, but curious and interested movers. Pilobolus camps underline our founders' ideas that anyone can dance, and can create dance. Whether you haven't taken a dance class in 20 years, take class regularly, or have never even danced a step, there is a place in a Pilobolus Intensive for you. Pilobolus focuses on how people, working together, can create form and movement to breathtaking effect. In Pilobolus Workshops and Camps, we work with dancers and non-dancers alike to expand the idea of what dance is, and increase collaborative and performance skills.
