Thistle Dance is partnering with Bathtub Gin to present a spectacle as spirited as its cocktails.

Enjoy a specialty drink as we whirl through Wonderland in three mesmerizing acts that inspire Alice to fill herself to the brim.

Join us for an unforgettable evening through the looking glass to catch a glimpse of

Alice and her friends - bare, beautiful, and wonderfully wild.

Longer Description:

Poison & Pearls is a unique blend of burlesque, immersive theater, and dance. Its alluring environment at the speakeasy Bathtub Gin offers attendees a chance to experience the overlap between our own darker desires and the wild imaginings of Lewis Carroll in a setting that brings Wonderland to life. Join us, and watch the boundaries between reality and fantasy dissolve.

Poison & Pearls, is held in the established Bathtub Gin Speakeasy bar, attendance requires patrons to be 21 years of age and older. Some costuming on the performers is inspired by the 1920s with a burlesque flair. Dancers do share an intimate space and carry relationships with one another through the three act performance.
