Kinding Sindaw celebrates our 30 year anniversary !

Combining healing chant, thunderous gong, tantric movement, and foodways transmitted by Indigenous rituals, *Posaka* awakens all the senses in an encounter guided by authentic tradition-bearers visiting from the Southern Philippines. Joining Kinding Sindaw and its New York-based community of musicians, dancers, and martial artists living in diaspora, *Posaka* is a performance series that explores themes of displacement, resilience, and collective healing through ancestral arts.
