Connecticut Theater Dance Company is excited to create shows bringing social awareness of current, relevant causes through exciting choreography by our CTD Company dancers. CTD Productions showcases the talent of its dancers onstage in motion, as well as through their own choreography. These productions provide an amazing opportunity as a dancer to choreograph on other professional dancers. We are interested all styles and genres of dance, hoping to broaden local audiences interests and perspectives! We look forward to your dance technique and the opportunity to collaborate with you on insightful and meaningful dance choreography.
