Project Agent Orange

Company: Project Agent Orange - <http://projectagentorange.blogspot.com>

► [Share](#) | [Print](#) | [Download](#)

Venue: Dixon Place

Location: New York, NY

Join us for an evening-length performance investigating how war is inherited in the body, across borders and generations. We are interested in the remnants that remain in the wake of war; how communities remember themselves and their histories; how we journey forward. Tickets \$18/\$10 students.
