PROTOTYPES is a collection of short form works, a dozen dances carried from idea to completion in a brief period of time. The dances are collective brainstorming, sudden flashes of inspiration, wacky ideas, experiments in ways of working and collaborating.

The evening includes eight dances by Susan Marshall with various collaborators, and works by Luke Miller, Denisa Musilova, and Raven White.

With lighting by Eric Southern and Cheyenne Sykes, sound design by Matt Evans, and costumes by Kasia Walicka Maimone.
