This performance is part of MR Festival Spring 2016 HANDWRITTEN NOTE(S) which takes place June 6-11.

Hosted by Becca Blackwell and BASHIR DAVIID NAIM with special guest performances in a nonlinear fashion.

Sometimes self-care means dance party. Let's come together to celebrate bodies in space. Let's take up the space we're told is not ours to hold. Let's celebrate each other's selves. Let's try to love our past selves / trust our future selves. Let's leave space for time travel. Move through the time-space continuum at your own pace. Dance in your divine dark light. Party on.

TICKETS: \$10 or \$15 for history/mystery/periphery/party + REVEL
