Alexis Gideon

Presented by Battery Dance, "RITUAL" is an interactive live dance experience by Robin Cantrell blending art and instructional guide through performance. Explore the power of everyday actions as sacred practices in this journey through Breathing, Writing, Dreaming, Meditation, Walking, Singing, Dancing, and Loving. "RITUAL" features a mesmerizing original score played live by the visionary duo Alexis Gideon and Mira Cook. Engage in audience participation from deep breathing to communal writing.

Hosted at The Boiler gallery space in Williamsburg, audiences will be seated on three sides of the stage, becoming integral participants in this interactive journey, blurring the lines between performer and spectator. Attendees are encouraged to engage in a version of these rituals throughout the dance performance, fostering a collective energy of connection and resonance. Every moment is an opportunity for communal exploration and celebration.

Join us for "RITUAL," where the ordinary transforms into the extraordinary.
