S I – T, Space In – Two : Erika Schipa – Betti Rollo

Written By Erika Schipa

Choreography & Performance by Erika Schipa – Betti Rollo

2 Dates · Jan 4, 2019 - Jan 5, 2019

2:00pm - 3:00pm / 6:00pm - 7:00pm / 9:00pm - 10:00pm

S I – T, Space In – Two is an "open" non-finished performance, in constant evolution; a research about the space and for the space. Two concepts, two places coexist in Space In: a virtual one, which appears only through the body, and then the physical space, that the body constantly interacts with. The project consults the users about the possibilities of the body, how much it can adapt and conform itself and how much it can change and influence the architecture of the space that embraces it.

THE EXPONENTIAL FESTIVAL 2019

A PLEASURE, A MESS, A THRILL, AND A DREAM

Jan. 4 - Feb 3 at a variety of Brooklyn's most eclectic venues

Brooklyn, NY—The Exponential Festival is a month-long January festival for NYC-based emerging, experimental performing artists, now in its fourth year. Performances will take place January 4 - February 3 in partnership with The Brick, Chez Bushwick, The Glove, JACK, Target Margin Theater's The Doxsee, Triskelion's Douglas Elliman Studio Theater and Vital Joint. Panels will take place at The Bushwick Starr. The participants in this multi-artist, multi-venue festival are committed to ecstatic creativity in the face of commercialism. Exponential is driven by inclusiveness and a diversity of artists, forms, and ideas coupled with utopian resource-sharing, mentoring, and the championing of risky, rigorous work in eclectic fields to keep theatre kicking.
