SMDT is excited to announce our Virtual Season! Our director and dancers have been working carefully on how to safely return to the stage. We are excited to announce that our virtual season will take place on Tuesday, Dec 22, 2020, at 7:30PM.

The performance will feature high-quality production and innovative design through our partners with Culture Lab LIC at the Plaxall Gallery and 10K Productions. This virtual season will include existing choreographic favorites, along with the debut of Mr. Blanken's first abridged Nutcracker, featuring artwork by Lauren Woods and performance design elements by 10K Productions.

Special thanks to Salvatore LaRussa Dance Theatre, who greatly aided this performance.

Our performance will be live-streamed in strict guidance with local and CDC guidelines. If those benchmarks change at any moment, we will adapt for the safety of our artists.

Please provide an accurate email address so we can send you the private link to the performance.
