Forza Dance is thrilled to present SHINDIG 360 at Brooklyn Art Haus for two nights only! More than a show, SHINDIG 360 is an experience that happens around you, with you — and because of you. Guests curate their own journey, moving between installations and performances.

The evening features the world premiere of a new work by Artistic Director Michaela Barron, exploring the delicate interplay between humans and the planet. In addition to the featured premiere, SHINDIG 360 includes a visual art gallery, live music, and additional unique movement performances curated throughout the night. The event highlights the Brooklyn Art Haus' vibrant space, with The Mouth, an in-house bar, serving a signature SHINDIG 360 cocktail created exclusively for the event.

About Forza Dance: Forza Dance is a New York City-based arts organization dedicated to creating non-traditional performance experiences that break barriers and deepen human connection. Through affordable development opportunities and inclusive programming, Forza champions accessibility and innovation in dance, supporting a future where artists and communities grow together.

Come as you are. SHINDIG 360: a dance experience that rewrites the rules.
