For their sixth annual full-length performance, ChristinaNoel & The Creature presents *Self Love Kinda Thing*. This dance theater piece is the latest collaboration between ChristinaNoel Reaves, Aeric Meredith-Goujon, and The Creature cast, utilizing their trademark blend of dance and voice performance that Reaves has developed as a signature of her company.

"This intimacy will be a condition of my needs and ability to surrender. I want your happiness, but this is a SELF LOVE KINDA THING."

Friday and Saturday performances will also feature youth company The Ephyra, showcasing Reaves's work with children ages 7-13, and Sunday's audience will be treated to a special set by Avery Leigh's Night Palace Band.

Tickets are available for a VIP reception on Friday at 6:30 ahead of the performance, and will feature musical guests Mara Mayer & Jason Anastasoff.
