Lenzu

Brooklyn's Exponential Festival presents a shared evening of two innovative female choreographer/performance artists Anabella Lenzu and CJ Holm. Lenzu will perform her acclaimed "No more beautiful dances," a multi-media solo that wrestles with the realities of being an immigrant, mother, and dancer. CJ Holm will perform her "Becky's Lament," in which she creates and explores Becky's world through text, movement, music, and authentic Midwestern cuisine.

Anabella Lenzu and CJ Holm
 579 Metropolitan Avenue
 Brooklyn, NY, 11211
