Our Intensives provide a unique opportunity to study closely with the company members of Shen Wei Dance Arts (SWDA) in the world's dance capital, New York City. SWDA's Winter Intensive 2015 will provide an informed pathway for opening the body and mind to new ways of approaching dance.

Classes Include:

TECHNIQUE

An introduction to Shen Wei's Natural Body Development Technique. Through the detailed investigation of movement ideas, classes will explore breath, internal energy, momentum, rotation and flow.

REPERTORY

Learn excerpts from selected company repertory. Through individual and collective movement research, each dancer will have a chance to work on group and solo material within the repertory works.

IMPROVISATION/CONCEPTS

Discover how Shen Wei's background in Chinese Opera and visual art inform his process. Explore compositional and movement ideas in relationship to other art forms.

PARTNERING

Partnering skills will be honed to develop proficiency in both group work and intimate scenarios.

BODYWORK/YOGA

Classes will focus on centering the mind and preparing the body for a rigorous day of work, while providing knowledge for future self-care and injury prevention.
