The Lovelies next [Slice & Dice](#) is just a few short weekends away! SUNDAY FUNDAY October 21st! Not only are we bringing in guests from out of town, [AGA Collaborative](#), but we are having work set on us by one of our mentors, the incredible [Jennifer Kayle](#). On top of that we are celebrating our 5th anniversary!! 5 years of committing to a weekly practice of spontaneous dance making, performing dances that unfold in the moment - without any previous plan, preconceived ideas, structures, beginnings, middles or ends!

We view this performance not only as a celebration of how we have grown as an ensemble over the past 5 years but also an opportunity to thank you for being an integral part of shaping the company. It would be an honor to have you in attendance!

Please mark your calendar for Sunday, October 21st! Doors open at 5 pm, show starts at 5:30!

Donations from the door will go towards our guest artists and [ACLU](#). Also upon entering we'll take your word and commitment to vote in the upcoming elections!

See you lovely people there!
