

OUR NEW YORK CITY DANCE

► <u>Share | Print | Download</u>

January 30 - February 1, 2014

Someday This Country

Company: Doug Eacho

Venue: Center for Performance Research

Location: Brooklyn, NY

An exuberant, emotional, sweaty, and intentionally unsuccessful performance of the 50's John Wayne classic "The Searchers." Five performers will do movements in the gap between exercise and dance while chugging through the entire "Searchers" script, striving for something sort of

like America.
