Gandini Juggling Alexander Whitley

The avant-garde virtuosos of Gandini Juggling create breathtaking productions that mesmerize audiences of all ages. Back by popular demand following the success of last year's Smashed, the company collaborates with British choreographer Alexander Whitley in Spring. "Joyous, exhilarating and transporting" (Culture Whisper), this production interweaves five virtuoso jugglers with four contemporary dancers in a kaleidoscopic dreamscape including an immersive score by Gabriel Prokofiev. Visually arresting, colorful, and bursting with rhythm and pattern, Spring is a refreshing and entertaining production at the vanguard of contemporary circus.
