Don't miss the dance company TimeOUT NY calls dance, gravity-defying gymnastics, yoga and S & M. Artistic Director Faux Pas le Fae is a Dancer, Choreographer, and Drag/Burlesque Gender Queer Performance Artist who explores and challenges cultural perceptions. This season features a world premiere entitled Cry's Real Tears *Batteries Not Included. The season also includes Diaghilev Suite which imagines beloved Ballet Russe classics from a Dark Burlesque point of view. Audience favorites Metochos pas de deux, After and the erotic Thorns will be revived and Faux Pas will unveil a new version of the Danced All Night pas de deux with an all female cast. Treat yourself to the dance artistry of Lisa Clementi, Michaela Doran, Jerica Niehoff, Stevie Oakes, Diane Skerbec, and Koryn Wicks. Faux Pas le Fae is a beloved creature on both downtown dance & burlesque stages, whether it was the perky black tutu or nipple rings, the plumage did the trick. Claudia La Rocca -NY Times.
