Arts Umbrella - Vancouver, BC

SpringboardX presents its first one-day workshop in Vancouver in collaboration with Arts Umbrella. SBX Young artists is a brand-new, rare opportunity for dancers ages 16+ to connect to the Springboard ecosystem, push their physical limits and deepen their artistry. This one-day event is an ideal way to introduce the young dancer for Springboard Danse Montréal, the leading career development and job placement resource for emerging dancers and choreographers.
