Join us for our the Opening Performance of our 2015 season!

This season, "Struck" continues it's evolution with new lead Mattison King and new cast members! This season also features new pieces and new original music!

Emersed in the idea of love at first sight and risks we take when we endeavor for it, "Struck" attempts to make an emotional connection with the audience through the use of theater, drama and dance. The story is narrated through the original music of recording artist Alex Feder and Artistic Director Pavan Thimmaiah and brought to life by the talented dancers of PMT Dance Company.
