Studies Project: Dance and Labor

Company: Movement Research
Venue: Gibney Dance Center
Location: New York, NY

Organized in dialogue with Movement Research, Luciana Achugar, Abigail Levine and Kathy Westwater

How is dance labor valued? How has it been valued? How might it be? And how can we affect the value assigned to this labor? These questions will be considered across a spectrum of contexts, including individual and institutional, organized and spontaneous, and historical and anecdotal to explore how performance and dance function within our current artistic, economic and labor realities.
