Join Camille Moten Rennie and the artists of CoCA for a FREE summer dance workshop series designed for professional dance artists and university dance majors. This transformative series offers rigorous training, artistic development, and an in-depth exploration of Rennie's choreographic language. Dancers will expand their creative range and deepen their connection to movement, musicality, and performance expression. Through repertory work, improvisation, and peer exchange, participants will develop personal voice, build vocabulary, and foster community in an environment that honors curiosity, risk-taking, and artistic authenticity. Whether you're refining your performance skills, generating original movement, or seeking inspiration through collaboration, this intensive offers a space for artists to grow, connect, and move with intention & purpose.

Please note: space is limited and pre-registration is required. To learn more and to sign up today, click the link below. We hope to dance with you!
