Eurythmy Spring Valley

Summer Eurythmy Week 2019!
Polarities and Balance: An Exploration in Eurythmy
Sunday through Friday, August 11-16, 2019
School of Eurythmy
289 Hungry Hollow Road
Chestnut Ridge, NY 10977
Course fee: \$450

Join us for Summer Eurythmy Week 2019, an exploration of polarities in nature and the human soul! In our week-long course for all who love eurythmy, we will discover the balancing element of human activity through movement, creative speech, nature observation, and biodynamic gardening. In tone eurythmy, we will experience the way harmony in music expresses itself through the breathing of the human soul in major, minor... and even in dissonance. Through Rudolf Steiner's eurythmy forms for the Calendar of the Soul, we will explore the dynamic interplay of the human being and the world. Evening activities, shared meals, and outings will complement our week-long immersion into the art of eurythmy. Beginners are very welcome. We hope to see you!
