Improvisation
Repertory & New Worka?? Partnering
Choreographic Devices

SPECIAL EVENTS
Lecture/Demonstrations
Repertory Showings Social Outings
Student Showcase
and more ....

I've always seen this intensive as a way of channeling the philosophy of the dances we create into a shared experience. For three weeks, we'll live together, create together, and grow together. The Company builds a safe haven that allows you to challenge yourself in both mind and body and explore the individual qualities that we each possess as artists.
