### Pilobolus Adult Workshop (All Ages - 18+)

Pilobolus focuses on how people, working together, can create form and movement to breathtaking effect. At our Summer Workshop Series, we work with dancers and non-dancers alike to let go of preconceptions about dance, and discover infinite forms of what is beautiful and possible.

We're offering three weeks of workshops this year, each with a different theme and focus. (See below for dates and description.) Join us for more than one week and receive a 10% discount!

Days are 9am - 5pm. The workshop will take place at the Woodhall School in Bethlehem, CT.

#### WEEK 1: TECHNIQUE + PHILOSOPHY (JULY 20 - 24, 2015)

Open to dancers and non dancers alike, this workshop welcomes all to experience Pilobolus's creative process. This session is playful, group-driven, physically challenging and fun. Pilobolus fans and curious minds from all walks of life will learn to access untapped areas of creativity and improve effectiveness in a group.

#### WEEK 2: ONSTAGE + BEYOND (JULY 27 - 31, 2015)

Expanding on a basic knowledge of improvisation and group interaction, this workshop focuses on performance techniques both onstage and in the creative process. Push yourself to experience how the Pilobolus creates and performs. This week will include rigorous physical training, improvisation work, partnering and collaborative creation.

#### WEEK 3: VISION + REVISION (AUGUST 3 - 7, 2015)

This workshop explores the group choreographic process, which relies on each individual working knowledge of complex partnering, choreography, collaboration, and direction. Be ready to dig deep into the choreographic process and not just create, but polish, edit and revise. Previous Pilobolus Workshop participation required.
