Time Travel with Madame Xenogamy Photo: Richard Termine

Cathy Weis expands her multi-room installation that premiered at Sundays on Broadway in March 2015. The audience moves from room to room, looking at dance in different spaces. A fortuneteller reads your future by looking into the past, gazing into a crystal ball at dances gone by. Peeping-toms may spy dancers in other rooms, across courtyards and down stairs. Through another door, performers dance in close quarters to observers.

Free Admission.
