About this class:

TBDC in partnership with Movement Research in New York City are offering online Trisha Brown weekly company class. Core principles of Brown's work including technique taught via the creative and physical practices of past and current TBDC dancers. Each teacher offers a unique focus and range of personal experience related to their understanding of Trisha's choreographic sensibility, with the goal of empowering students in their artistic pursuits.

TBDC Class Zoom Etiquette:

- 1) We ask that you "mute" yourself at all times, unless Faculty has asked you to verbally participate.
- 2) If you're dropping in to see how this class might suit you, please keep your video off. Send a message to just your instructor ("Chat" > "Chat with Host") so that they know that this is what you're doing. It can be disorienting for both your instructor and fellow participants to see a video that is turned off, or one in which someone is inattentive.
- 4) Have a question or concern? Use the chat function to communicate with the class and/or teacher.
- 5) There is not to be any recording of classes.

Thank you! We hope you enjoy class!
