CRDANCE proudly announces the launch of TEATRO CRDANCE 2025, a groundbreaking platform at the epicenter of dance. More than a series of performances, TEATRO CRDANCE is a dynamic vehicle for the education, research and innovation of modern dance. This global collaboration, conceived by Artistic Director Caterina Rago, is an artistic hub presenting performances, educational programs, artist residencies and cross-cultural exchange. This initiative brings a diverse group of choreographers and dancers together to create a catalyst for new ideas for modern dance.

TEATRO CRDANCE debuts Spring 2025 as a year-round performance series, Master classes, mentorship programs and conferences, taking dance beyond the traditional stage. Under the leadership of Caterina Rago, along side Executive Director Cheryl Kaplan and CRDANCE company members, this initiative creates innovative opportunities for emerging and established artists to share their work and engage with audiences.

Building global connections and expanding the reach of artists, TEATRO CRDANCE 2025 amplifies under-represented voices, creating a vehicle for greater international dialogue. In addition to performance, the platform will offer workshops, residencies and mentorship programs through Tecnica di Danza Moderna (TDM), the educational division of CRDANCE based in Italy. TDM will play a key role in providing world-class training to advance the next generation of dance artists. Through live and digital experiences, TEATRO CRDANCE 2025 will offer participants and audiences access to performances and educational content.
