ABOUT THE COMPANY: Creating Young Artists (C.Y.A), founded by Kelly Rodriguez-Reyes is an affordable comprehensive art curriculum to students ages 5-13 years. These dancers have dedicated their time and talent to learn as much as they can, and prepare themselves for any style of dance we have thrown at them! It is only right we showcase every inch of their hard work, showcasing various styles such as African, Ballet, Jazz, Lyrical and Contemporary Dance.

For the first semester, these dancers partook in Vocal & Hip Hop Workshops with Parris Lewis and Derrell Bolling, which we'll be showcasing as well. Join us for an evening of dance performance, music and spoken-word. Support Creating Young Artists, as we continue to uplift the next generation and create a safe space for creativity and growth!
