Dancing From the Inside Out: Two Workshops with Internationally Acclaimed Modern Choreographer/Dancer Margie Gillis

"These workshops support participants to discover the wisdom of their bodies and to connect with the curiosity and awe that initiates and inspires movement. With gentle meditation we open the exploration of the body in motion to deepen our understanding of health, communication, and development of creativity. By listening to the body's intelligence, we will begin to dance from the inside out." ~Margie Gillis
