The LongHouse Winter Benefit's focus has always been what's happening now in the worlds of Architecture, Culture and Design, and this year is no different; For 2020 LongHouse has selected two extraordinary ambassadors to honor: Cindy Allen, acclaimed editor-in-chief of Interior Design and all-around interior design guru, and Joseph Walsh, a Country Cork-based master artisan of wood furniture, known for his precision, and creativity.

Following the reception, Cindy Allen will be presented with her award from Calvin Tsao, a leading voice in contemporary architecture, and Joseph Walsh will be awarded by Robert Taubman, President and CEO of The Taubman Company.

Dinner will begin at 8:30 pm at the Irish Historical Society.

LongHouse Reserve is a non-profit public educational organization, under Section 501(c)(3).
