Connect with a wider world of dance through THE BRIDGE

NYC is the capital of the dance world. But master teachers are often hidden in immigrant communities and not reachable from greater dance community. We are taking advantage of this new normal to introduce a wider world of dance to you by inviting amazing master teachers to give an hour of their lifelong experience and fresh ideas they developed in New York through our free virtual platform - THE BRIDGE.

Join us everyday at 11AM for a wonderful class via zoom, we invite guest artists from all over help you to experience the amazing world of dance from authentic, indigenous dance rooted in the daily lives of people to wonderful contemporary master teachers.
