William Miller

"Vivid and magical... a satisfyingly gorgeous and endearing production."

- Alastair Macaulay, The New York Times

The Brooklyn Nutcracker transforms familiar Nutcracker characters and scenes to represent the diverse traditions and vibrant culture of melting pot Brooklyn. Starting from the point of view of old Dutch Brooklyn and leading to our iconic Flatbush Avenue, the production is fresh and full of virtuosity—in essence, a Christmastime love letter to the borough we call home.

A re-imagined holiday classic, *The Brooklyn Nutcracker* fuses ballet, hip-hop and a myriad of world dance genres to create a new tradition for today's audience.
