Sleek elegance and exquisite technical precision open Jacob's Pillow Dance Festival. The Hong Kong Ballet performs Polish choreographer Krzysztof Pastor's *In Light and Shadow*, set to Johann Sebastian Bach's rich and celebratory "Goldberg Variations" and "Orchestral Suite in D Major No. 3."

The program also includes Nacho Duato's commanding all-male work *Castrati*, and a poetic trio *A Room of Her Own* by National Ballet of China resident choreographer Fei Bo.
