Nic, Serena, Paloma, and Ella are... acquainted. They are individually charismatic, intelligent, vulnerable, curious, and queer. They are pleasure-seeking. And they are terrified. SEX PLAY follows their intertwining lives and relationships as they navigate the complexities of contemporary dating rituals; unsolicited advice from friends; the erotic intimacy of fantasy exploration; and the joys—and anxieties—of ASKING FOR WHAT WE WANT. SEX PLAY is a collaboration between The Pack and Playwright-in-Residence, Charly Evon Simpson.
