Always representing the South Bronx, TweetBoogie is devoted to the street styles of hip-hop. She has worked with icons Jay-Z, LL Cool J, Shakira, Kanye West, Jasmine Sullivan, Nicki Minaj, and Janet Jackson, while keeping roots to the underground dance community. *The TweetBoogie Experience*, an ensemble of stellar dancers dives deep into Tweet's connection to Black music, dance, history, and true hip-hop culture. It takes the audience on an imaginative journey from the streets of the South Bronx to all over the world and back again. Each piece tells a story from different chapters of Tweet's life as a Black woman, creative artist, world traveler, and—best of all—a mother.

The TweetBoogie Experience is co-presented by the CUNY Dance Initiative (CDI), an expansive program providing New York City choreographers and dance companies with residencies on CUNY college campuses. www.cuny.edu/danceinitiative
