It's a showcase! It's a jam! It's an absolute hang! Come witness performances, electronic experiments, improvisations, and compositions from NYC's most killing tap dancers, teachers and choreographers to your favorite underground band, emerging contemporary choreographers...come as you are and share with us your secret (or not so secret) talents!

The night will morph into an open floor/jam, so bring your instrument, poetry, standup act, choreography, compositions, and improvisatory stylings. We've got a beautiful sprung wood floor, a plethora of percussive instruments/synths, and the best vibes.

Hope to see you there! ? (Costumes totally allowed)
